April 2, 1974 - February 16, 2021

### Reevesville

Amanda Booth Metts, 46, of Reevesville, S.C., passed away at home on Feb. 16, 2021. Amy's unexpected passing leaves holes in the hearts of the many people who knew and loved her.

Amy was born in Conway, S.C., and grew up attending Conway schools. She studied at the University of South Carolina in Columbia, where she earned a bachelor's degree in Exercise Physiology. She worked as an exercise physiologist at Palmetto Health Richland Cardiac Rehab for nearly 20 years, and she was a frequent fundraiser for the American Heart Association. She was an exercise physiologist at HealthPlex at the Regional Medical Center of Orangeburg since 2016 and had a profound impact on the lives of her coworkers and patients in that short amount of time. Amy also served as president of the Lockett Elementary PTSO and tirelessly endeavored to improve the school, including fundraising for construction of the new playground. Amy was active in her sorority, Delta Gamma, and the Baptist Young Women group at Mt. Tabor Baptist Church, and she loved all things Gamecock, especially attending football games with her family and friends.

Amy leaves behind her husband, Kevin; her son, Riley; her parents, Robert and Irene Booth of Conway, S.C.; and her sisters Robyn Culbertson (Norman)

of Columbia, S.C. and Angela Booth of Atlanta, Ga., all of whom are heartbroken by the loss.

A graveside service will be held at 3pm on Tuesday, Feb. 23, 2021 at Mt. Tabor Baptist Church in Reevesville. Family will receive visitors there beginning at 2pm. All COVID-19 precautions will be in effect, including wearing of masks and social distancing. In lieu of flowers, donations may be made in Amy's memory to the Lockett Elementary School PTSO, a cause that was important to her. Donations may be made through PayPal to [lockettptso@gmail.com](mailto:lockettptso@gmail.com), or checks made out to Lockett Elementary School PTSO may be mailed to Judy Ott at 1349 Dorange Road, Branchville SC, 29432.

“ *I remember Amy from Healthplex as I attended on my healthcare journey with them. Amy was nice and always an inspiration. She would listen and encourage me to press forward. She worked with my hectic schedule to make sure I could get in even if I missed my original appointment. Rest in peace Amy, you made a difference in life.*

“ *Today one of the best women I was blessed with knowing will be laid to rest. No matter if it had been weeks or years between us seeing each other, the warmth and love from Amy was always there!! My heart breaks for Kevin, Riley, Irene, Robert, Robyn, Angel, and her many close friends that she spent so much time with through the years. I know she is going to be greatly missed by so many that she impacted with her warmth, kindness, smile, and that oh so wonderful strong "Amy HUG" that she always had for you! There is no doubt she earned her wings and will continue looking over all of us! My deepest sympathy to all the Booth and Metts families and her dearest friends. God Bless and Fly High sweet Amy!
