“ My condolences go to the family of Mrs. Ruth. Living in a small community she was a community mom not to just her children but too many more. She treated all of us the same as she did her own. Wonderful cook and baker of delicious cakes. My favorite would have been the Italian cream cheese cake. She was a pure and very loved by all of us. You will be missed so until we meet again... I Love You Mrs. Ruth. Sincerely, Janet

“ Clifton and Sherry I'm so sorry to hear of Miss Ruth's passing. I can't say I have fond memories of her giving shots and pricking my finger but I so smile at her high energy laugh.. she was always so bubbly which made her job much easier for her patients. “ Clifton, Sherri, and Family:

We have truly lost a very dear person in the passing of Mrs. Ruth. My brother, sister, and myself spent a lot of time at Mr. Julius and Mrs. Ruth's home while we were growing up. We kids were all the time into something along with the rest of the nearby family kids. At Christmas, the kids would be out shooting fireworks at one another. I was twelve years of age (54 yrs. ago) and one weekend morning I was in the yard, at home. I happened to pick up a small piece of board and threw it. It just happened to have a nail in it. It ripped the palm of my hand open. My parents were not at home so off to see Mrs. Ruth I went. She took the time to clean my cut and fix it so it would not pop open. That was a relief. Over the years I have looked at that scar and thought about how sweet and caring she was. She always had time for the kids. We may not have her with us any more but one thing for sure, we will always have the memories of her in our hearts. She will truly be missed by all that knew her. Mrs. Ruth was a blessing from God to her family and those who knew her. My prayers and well wishes are with you. May God Bless the family and give them the peace that can only come from Him.

Thank you Lord for Mrs. Ruth.
