“ Mark, Jennifer,
Please accept our most sincere sympathies during this time. I always enjoyed seeing your Mom and thought very highly of her. After all she did such a good job with you and loved you so much. God bless you all during this time. Mom sends her sympathies as well it made her very sad to hear of her passing. I wish we could be there physically for you at this time, however, traveling with her is not so simple. Hope to see you soon and know that we are thinking of you and praying for you. Love, Debbie

“ Mark, so sorry for your loss. Just saw her at church Sunday and she was her usual jovial self. See asked me to come join in the singing at Morningside, if I would be available on Tuesday. She talked to Frankie in Sunday School about getting some firewood this week. Such a shock to us all. We will miss her. She was such a tireless worker, as I'm sure you know. If I can help you with anything, please let me know. Sandy Whetstone
