“ There was only one Aunt Bea. I recall so fondly going over to her house when my brother and I were very young. I loved her antiques, and to this day am sure she helped me develop a life - long love of them. She was so beautiful- and took such pride in her beauty- and she looekd just like Loretta Young. So glad we were there to see her this January down in Florida. She was and is dearly loved and will be greatly missed.

With love,
Elizabeth
