“ I am so glad we spent the week at the beach in July together! Mr David and I were both up early, drinking coffee, rocking in chairs on the porch, and catching up every morning. It was such a special time, even more precious to me now. We reminisced on all the good times growing up with Stella and Gwen. I got the chance to thank him for being such a great influence in my life. I also got the chance to remind him that he is the reason I became a Carolina Gamecock, like to eat corned beef hash for breakfast, and watched wrestling on Saturday morning as a kid. He and Mrs Gail always treated me as one of their own. I'm so grateful. Love you forever!
