“ My condolences to the family in the loss of your dear loved one. There is nothing more painful in life then losing a loved one in death. Our loving God Jehovah understand how you feel because death was not a part of his original purpose for mankind (Genesis 1:28). He provides comfort from his word the Bible to help cope with the loss. Psalm 94:19 says; "When anxieties overwhelmed me. You (God) comforted and soothed me" And the wonderful promise at John 5:25 says; Most truly I say to you, the hour is coming, and the dead will hear the voice of the Son of God (Jesus), and those who have paid attention will live. “ I am sorry to learn of the death of your beloved family member. Jehovah God made a promise to us all at Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death.

“ I am so sorry for the loss of your Mother,, Peggy as we have always known her. She is now with the love of her life G. W. and they look down on you with smiles and loving care . I am the daughter of Irene Folk Murray who went to heaven March of 2010. She loved Peggy and G.W. so much and always enjoyed her visits with them during the Rayl Road Daze festival and reunion. Mother went to school with G.W. and grew up in Branchville with G.W. My sister and I grew up in Branchville also and we understand G.W. 's continued love for our home town. Peggy was a big part of our lives also as G.W. had a hard time hearing sometime and we communicated by phone with Peggy.

You have been blessed as I with loving parents and I know the healing process will be difficult but memories will make that grief so much easier.

My love and continued prayers for you and your families.

Love,
