“ Family of Florrie Canady, Mary and I are sorry to hear of your loss. Florrie was a good lady. It was good to be able to visit with her in her home and at Jolly Acres. Their were moments in our visits that I felt she was right there with me. She did not always take communion, but she did from time to time. I believe she was truly a woman of faith. The Lord sees all of His children, and He knows the needs that they have within their lives. He journeys with them all along the way. I know He will love you and care for each of you as you face the tomorrows. Please know you are in our prayers.
Blessings & Peace,

“ one of my memories of Ms Florrie was when I moved here many many years ago. Seeing my friends mama on a tractor in the field was something I had never seen. Ms Florrie was definately one of a kind.
