“ I am shocked to hear this. I remember Georgianna from when she worked alongside me at the Library in StG. She was an extremely sweet person with a wonderfully big heart. I enjoyed our conversations, and unfortunately I haven't seen her for a few years. Time gets away from us so quickly. Prayers for Tim, and her family. My condolences and thoughts are with you all.

“ My Aunt Georgiana was such a special lady. Always laughing, she had a beautiful smile. She was a gentle soul who always took her community and it's gifts to heart. She will be with me always. Like when I make her famous pecan tarts or breakfast casserole. As I share those pieces of her with people that may never have known her, they will still be touched by her motherly love and kindness and carry her with them as I do. 🥰🙏💕🕊️
