“ *During the time that my father, Rinehart Chewning, sold insurance Gladys was one of his clients. When he would stop by her house to collect she always had a meal for him. On days that she had gone fishing she would leave a note for him. He would enjoy the delicious home cooked meal and take a nap on her sofa. She was dear to all of us!*

“ *Our Thoughts and Prayers go out to all the family during this time of loss. Aunt Gladys was a wonderful Lady, she always looked out for anyone that needed help. We always loved being around her, she was like a mom to us. She will be missed , but she is now in a better place being her loving self to all. Singing with the Angels in Heaven and waiting to see we all again.*
