“ Ricky & Stephanie, Dicky & I are so sorry to hear of Glenda's passing. She was such a sweet person, don't think I can remember a single time seeing Glenda that she did not have a big smile on her face that she would share with everybody. We have you in our prayers. Take care. Edna Jo Canady

“ Ricky and Stephanie, I am so sorry to hear about Glenda's recent passing. She and your mama were such positive influences in the lives of Lauren and Katy. They loved my girls and taught them so much. I give credit to them for my children not being "picky eaters", loving the outdoors, and caring so much about people and animals. I think of "Miss" Dell and Glenda every time I pass by their house, and thank God that they were there for me when I was raising my children. Sending lots of hugs and prayers your way. Jenny
