“ I was in Branchville earlier this week and learned of your family's loss. I spent many a summer there and have memories that will last a lifetime. From the very first day I Deanie, she made me welcome in your home and I could not have been treated better anywhere. I made many friends with some good families and yours is one that always comes to mind when thinking of Branchville. Over the years, I have not made as many trips to back to there as I would like to have, but when I did and stopped by, I was once again welcomed into your home by Deanie. I really enjoyed those days running around town with Angie, Jimmy, and Danny and then retuning back there to your house or Aunt Girdy's and having Deanie give us a hard time about where we had been or what we had been doing. Deanie was a very nice and caring woman that will be missed by all. My prayers and thoughts are with you all.

“ Deanie and Frankie touched many lives at the Methodist Oaks including my mother, Darlene Brown, who spent her last 6 years at "The Oaks". She moved to The Oaks from Ohio to be near me,her daughter and family. She did not know anyone when she moved to The Oaks but soon got to know Deanie and Frankie as her "friendly, kind beauticians. Both Deanie and Frankie touched many lives. Deamie will be missed.
Peace,

“ Dear Lisa, Angie and Frankie -

I am so saddened to hear of your loss. I have such great memories of sitting in your kitchen getting a hair cut from Deanie - Tina chatting away, Sparkie running around. Deanie was a wonderful person and touched many lives. I pray for you all at this time and hope the memories that you share, and knowing how much your mother meant to so many, bring you some comfort.

With greatest sympathy,

Tracey
