“ Woodrow, Vicki, and Becky, I am so sorry to learn of your loss. I had no idea that Joye was sick. We used to work together at Southern Bell. Joye was a wonderful and caring person! She was great to work with. She was the "computer expert" in our group and lots of co-workers came to her for computer help and advice. It was a pleasure and a privilege for me to know Joye and to have worked with her. I'm sure each of you and the rest of her family will miss her very much. I will remember you in my prayers.
