“ Our childhood memories are linked forever with our siblings. Although life went by quickly, I enjoyed playing "do you remember" with Kathy that brought us back to a simpler time. My sister spent her life walking toward God. She is home now with our dad, Donna, and Bobby and surrounded by love. You will be missed my sister but I know you are at peace.

“ Some of my best memories are of when Mom homeschooled us in Ellington, Ct. I remember long bike rides where we explored including to the Connecticut River. On my last visit Mom's words were "If I don't see you again, I'll see you in Heaven" This brings me comfort and peace of mind.
