“ Joe, Mazie and Cynthia,
I am very sorry to hear about your loss. Mrs. Huggins was one of the kindest people I have ever known and she was always very sweet to me. I fondly remember the fig preserves she used to give me - she remembered how much I loved them and everytime I visited, she seemed to always have a jar of them saved for me. That is one of the nicest things anyone has ever done for me and I will always remember her kindness.
