“ I just learned of Maryln's passing. I have always remembered she was there for me and Thomas during a very difficult time in both our lives. She always made time to chat with me in the afternoons when I was there to pick up Thomas and made my day seem a little less complex. She could always relate to me and the trials and tribulations that was confronting me at that time. I know her staff, Margurite especially will be lost without her. I will make every attempt to stop by the Daycare and see everyone really soon. She so loved her husband and children. I will miss her greatly.
