“ Dear Family, I was saddened to hear Gail passed away. I don't think I had seen her since high school. But like others, I did have contact with her through Face Book. I can understand this is a difficult time for all of you. My thoughts and prayers are with you. Robin M. Bunton

“ Dear Mrs.. Mary Beth, Nancy, and Tom,
I am so sorry to hear about Gail loosing her fight with Cancer. I hadn't seen Gail since HighSchool until we reconnected last year through Facebook. I saw her twice while trying to help her with something. She told me about her illness and her multiple fights with cancer. She kept me updated on the family. I so enjoyed reconnecting with her? She will be missed and again I am deeply sorry for your loss.
