“ So sorry for your loss. Mrs. Mary Beth was always the sweetest person. I still remember trying to play a prank on her when I was a child. I placed a rubber snake in a low section of our steps that always seemed to have water in it when she was coming to pick up some clothes my mother was making for her. I just forgot to move the hoe....she chopped my rubber snake to pieces. We all laughed about it later. She will be missed!vv

“ Even though none of you in the family know me, I want to post a tribute to Mary Beth. I was a bridesmaid in her wedding, and she was one in my wedding a year later. We both lived in Walterboro and roomed at the same house as we worked. Both of us are CC alums. She was so kind, so gentle, and a great teacher. We had so much fun living together at Mrs Lemack's house. She meant much to me. It is sad to know that she is gone. -Drucie Connelly Eaddy
