“ Many years ago Mike and I were both students in the same grade at Smoaks Elementary School. I never knew what happened to him, but I remember him as a nice little boy. He was very kind to me one day when some other third grade students picked on me. I will never forget that day when I was crying and he did not make fun of me. I hope he had a good life and was loved. You have my condolences for your loss. Deanna Wilson (formerly Deanne Nettles)
