“ We had the privilege of caring for Mrs. Hendrix at Jolley Acres. She was always so gracious and thankful to have the nursing students. She would always ask me since I live in Branchville "how is the river today?"
A truly delightful person. I know she will be missed. I hope your family is surrounded by love and peace.

“ Ashley, so sorry for your loss. Your Mom was a very special childhood friend. She and my younger sister were inseparable growing up. Nancy was so little, sweet and fun loving. We had so many happy memories on the Edisto River and around our little town. You and your family are in our thoughts and prayers. 💕🙏

“ How can I share only one memory when there were so many in our lifetime of our youth. She was a special person. She was a kind person to all. I can only imagine that she was a great teacher. She loved going to Edisto Beach and would go whenever she could. She was a proud and excited Nanny. Rest in peace, Sweet friend.

“ Ashley,
I am so sorry for your loss. I know how much your mama meant to you and Baylee. She loved you guys so much. I remember meeting up with yall for lunch, all those years ago. She was such a kind hearted soul and I'm happy that I got to meet the woman responsible for raising such an awesome daughter. She will forever be your guardian angel.
I'm leaving you with the quote I have tattooed on my back for my mom, in hopes that you may find some kind of peace hearing it: "Goodbyes are not forever. Goodbyes are not the end. They simply mean I'll miss you, until we meet again."
