“ I haven't been able to find the right words to say because to those who loved you, the loss is great, and to those who knew you, heaven's gain is great as well. You made a remarkable imprint on people and it changed some lives entirely. I will always admire your unshakeable faith in God and the power of prayer, and just like my own mother, I can hear you praying for those you loved because I was privileged enough to hear you pray so many times throughout my youth. You are so loved. My heart hurts knowing you no longer walk this earth praying loudly and whole heartedly to God and my heart breaks for your children and grandchildren because their loss is so huge. I will always be grateful to to God for bringing you and Tammy into my life and there will never be enough words to express my gratitude to you for treating me as your own. I love you always Ms. B.
