“ My brother John and I have known Randy for a number of years. We were out one night and he wore a distinguished hat. John called him Big Daddy so the name stuck. Randy watched us struggle to align our tv antenna. A few weeks later he shared that he knew how to do it but was having TOO much fun drinking his beer while laughing at us struggle in the Heat. Randy became a very good friend and we had some Great times. John and I have a Man Cave at the resort. Randy has left a BIG VOID to our Man Cave time. REST IN PEACE BIG DADDY !! WE LOVE YOU !!!!
