“ *My family wishes to express our deepest condolences to Anne
Fletcher, Edmund Bolin, and Lewis Bolin on the recent passing of
their mother, my aunt. I have literally known Aunt Deppie all of my
life and will miss her. It was with great regret that we were unable to
attend the funeral, given the short notice of her death, the holidays,
and the imminent birth of our first grandchild here in Alabama. My
wife and I did make her 100th birthday early this year and that was
a great privilege. Aunt Deppie will certainly be missed by us all. Yet,
we ought to remember a loved one is never dead as long as their
memory lives in us. May God comfort and be with the family at thsi
time.*
