“ Francine & Jeff Brundage .
Bootsie was always one of those people that made all around her feel special and loved. She loved her entire family so much, and, her family spread to all who knew her. We will all remember her sweet heart and her desire to help all she could. Having known Bootsie most of her life, it is with a heavy soul that I let her go to her reward as I know that that is a very large reward indeed for one of the most thoughtful, loving people I have ever known. Our love goes to Vernon as he was her salvation in so many ways. Special prayers go to her children, grandchildren and great grandchildren also. She loved you so much!

“ Such a sweet, kind women...she will be missed. Praying for all of you...letting go of your family's matriarch is extra difficult. May you find peace in the knowledge that she is healthy and happy in Heaven with God.
