“ Mr Lawrence was a wonderful man! I would bale hay after school for him for a few summers. It was hard, hot work, that he was accustomed to, but me, not so much! I can't believe he's gone! 😞  
😞😞

*I've never even heard him mumble a bad thing about anyone, he was such a genuine man; a man's man! He loved his wife and kids so very much! He would speak or "holler out" when I would ride past him. He definitely was such a great person to someone like me, I can only imagine what a wonderful person that he was to others!*

*All of the cornerstones of the McAlhany Community are slipping away, taking a vast wealth of knowledge with them.... things that were passed to them from experiencing an entirely different era of hardship and success in what I would call one of the greatest generations of our time!*

*Remembering Dana and his Kids and the rest of the immediate family and close friends during this line of great loss! I am sorry Mr Lawrence, but I truly believe that you wouldn't come back if you could, but I believe that you would plead with everyone to meet you at the river just across from glory land! Tell everyone that I said hi and that I am striving to make to God's Kingdom to be with you all!!  
🙏🙏❤️❤�🙏🙏 *Puddin & Sausage are reunited once again!!  
Peace, love, and happiness for eternity!!!**
