Ruby Bair Westberry 1925-2025

On November 3, 2025 at 9:15 PM, our mom, Ruby Bair Westberry, was welcomed into paradise by her family, friends, and our savior, the Lord Jesus Christ. 100 years on this earth, serving the Lord as the kindness, loving, and the most compassionate lady anyone has ever met. Now she is in Heaven expressing the same kindness and love. We will all see her again one day, to fellowship with her, in Paradise. Her two sons, Mike and Glenn Westberry, will truly miss our wonderful mom. All are welcome to join us for the graveside service at Rigby Cemetery on Thursday, November 6, 2025 at 11:00 AM

“ *Mike and Glenn I'm sorry for y'all's loss but I rejoice at Miss Ruby's gain. I'll always remember your Mom as a humble soft spoken lady with a beautiful smile. The words of the hymn come to mind. "What a day that will be when my Jesus I shall see." I will be praying for y'all and y'all's family.*

“ *Mike and Glenn, I am so sorry to hear the passing of your precious mother. She was such a sweet and loving lady. What a What an awesome accomplishment she made living on this earth for 100 years. She and my mother-in-law, Mamie Metts Brownlee were best of friends their entire life. May God bless the two of you as you live with the wonderful memories that you made throughout the years. May she rest in peace with the assurance that one day we will see her again.*

“ Cousins Mike and Glenn,
I am so saddened to learn of Aunt Ruby's passing. One hundred years is a magnificent life, and I'm sure she filled all of them with her own humble style of quiet simplicity and grace.
She will be missed dearly by everyone who had the pleasure of knowing her. My thoughts are with you both right now.

“ Mrs Ruby was a blessing to so many....100 years she was given here on earth...a century of grace.

A lifetime of prayer.

Hands that served, the Lord, a heart that loved, and a faith that never wavered.

What a legacy she leaves behind in the lives she touched. We are praying for her sons and loved ones in the days ahead.
