“ So sorry she's gone, but surely not forgotten. She and I had some great times together when she would come to our parties at Christmas. Will surely miss her this year. After my diagnoses with cancer she was there for me every step of the way. I loved her so and may she rest in peace until I see her again one day. Great lady my dear friend

“ Skeeter and Mary Helen, Jackie, Bill Mike, and Johnny Ben, and all other family, I ache for each of you. Aunt Sharon was a wonderful and special lady. I thanked God for her so many times when she helped my Mama. She was funny, charming and wise. When we were little she would mail us books, and as we got older make-up and other things. She had a way of making everyone feel special. Her influence on your lives will endure forever. God bless you all. 88

“ It is with a heavy heart I send my deepest condolences to Skeeter, Judy, Mary and all of the family. I had the most wonderful pleasure of growing up with 'Miss Sharon' as my Nanny's best friend (Bettie Rhoad). They were two peas in a pod, and showed me at a young age the true definition of friendship. From watching out the window everyday waiting to see the mail truck pull up, to her attending my gymnastics meets with Nanny, and her thoughtfulness by bringing special treats and doodads by the house for my sister and I. She was a FUN, amazing woman who loved her family and **CHERISHED** her grandchildren more than anything. I hold these memories dear to my heart. In the sadness, I can smile knowing Nanny has her best friend back by her side. ♡

“ To Mary, Skeeter and the entire family please accept my deepest sympathy for your loss. I truly enjoyed knowing Sharon over the years. She was one of a kind and a truly fun person. I admired her spunk and zest for life. I will never forget the night we sat down with Shania Twain and ate dinner before her concert in Charleston. I asked Sharon what she thought of it afterwards and she said, "It was absolutely magnaglorious!" I love her originality!! Hugs to all of you and may you find peace during this difficult time. She was a little bit of stability in my crazy upside down childhood. I always cared for and admired her and I know you were all very lucky to have her and she loved you all.
