“ *Grammy Shirley always made sure we had a smile on our faces and that we had plenty of food in our bellies. When visiting Allana at grandmas house she made us breakfast in the morning and always made sure Allana was taken care of, of course that she had only the best. She is an amazing woman who raised incredible people like Ms. Holly and Allana, and of course uncle Butch. She will always be remembered for that beautiful smile and sweet southern accent. So much love for you and your family! Thank you for all you have done in this life. We love you grandma Shirley!*

“ Sending love and hugs to Butch, Holly and family. Thank you for sharing your mama with me. She made me feel like a part of the family sharing her brother with me. Everytime Randy and I would come over I would leave with a full belly and a handful of candy from the candy jar. She always made me feel like the sister I never had. She had the biggest smile everytime we came to see her and the biggest heart.

“ Momma Shirley was such an amazing woman. She had a heart of gold and a strange culinary diet. She loved her family beyond measure always had a listening ear, wanted to make every one's favorite things and not afraid to voice her opinion/ advice. I'm sure Cracker barrel will miss you. I will always have very fond memories of her and am so grateful for the time had have had with her and her family. Loving you always missing you much.
