“ *My Loving Brother Steve*

*You were the youngest of my five brothers, and younger than my four sisters. Just 22 months apart, the closest in age of all nine of us.*

*We had such good times growing up together, but as life would have it we all grew up and went our ways.*

*We lost track of each other for a while during your Navy Career but once reunited it was like we had not been apart. I wish we could have had more time Steve, and lived closer to each other. You are now in Heaven with Dad, Mom, sister Shirley, brothers John, Jim, and Jerry.*

*One by one we shall all be together. Only God know which one of us will be called home next. Maybe me, Richard, JoAnn or Vivian. Until that time, know that you like the rest of our family are always in our hearts and all are missed beyond words.*

*Praise Almighty God! Eternal Life, no more pain, loneliness or worry.*

*You are so loved and will be missed every day of my life until we see each other in Heaven*

*Your baby sister

“ Our deepest sympathy to Stephen's family. Our prayers are with you all at this time! I pray for our friend who had departed from this world. May his time of purification be short and he be quickly guided into that holy light promised by our Lord to Abraham and his descendants. I offer You sacrifices and prayers of praise. Accept Stephen's soul as his body departs from earth and admit him to the heavenly joy. Amen
