Life
Life is but a stopping place,
a pause in what's to be.
A resting place along the road,
to sweet eternity.
We all have different journeys,
different paths along the way.
We all were meant to learn some things,
but never meant to stay.
Our destination is a place,
far better than we know.

“ We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and comfort your family during this difficult time."Jesus said to her: 'I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.'" - John 11:25

“ I imagine there is no pain more far-reaching and deeper than losing a child. My heart and prayers go out to you at this most difficult time as your feeling of loss is deep. May the promises of Jehovah God and Our Lord's Christ Jesus, of a resurrection, strengthen your hearts until the day when death is no more, and honest-hearted ones will see lost loved ones once again (Revelation 21:4,5; John 5:28). In the meantime, may the love and support of dear family and friends comfort you.

“ RIP Tanner. I hate that your life came to an end at such a young age. I was devastated to hear about u. Eversince I met u when u were 16 years old I always thought the little boy does alot of big things. U were amazing for your age. Sadly your life ended sooner than would have ever been expected. Watch down on all of us. U will be missed homie. R.I.P

“ *My deepest condolences to the Scott family. Many times when we lose a young person, we are at a loss for words of comfort. At these times, our prayers and thoughts are with the family as mine are with you today. May it bring you comfort to know that Jehovah God also wants to give you comfort. Please consider Psalm 34:18 and one of my favorites ~ Isaiah 25:8. May it comfort you to know that our Creator promises to reverse the ill effects of sickness and death.*
