“ Travis, or as known by most Tag, was a beacon of gentleness and friendliness, We first met in Conifer Hall Moncks Corner, SC. At that time I never would have imagined we would become family. A person whose kindness resonated with everyone. As both a friend and beloved family member, he left us with countless special memories imprinted in our hearts forever. The joy he brought to the holiday gatherings, family visits, and festivities will continue to brighten our lives in his warm remembrance. One's physical departure never truly takes them away. They are immortalized through their actions and the love they shared. His love for family. His smile. His laugh. His kindness. These are my fondest memories of Tag.

“ I have many heart felt memories of Tag during the time I was with him at the home on Friendship. We had many late night conversations and he was very kind to me on many occasions which I will never forget. I am so sorry to hear of his passing and I can envision him and Billy sitting and talking again. Rest in peace Tag . Susan Graham
