“ To the Family and love ones of Del... I spent many hours younger after school and other events that you included me as a family member. Way back I felt like a member of this family and you as a little brother. As life takes us on different paths and journeys times slides away. Memories stay as we live on. I will always remember Del as that little brother getting into trouble running around the house picking of who he could get away with. A good person he will always be in my heart. I'm so sorry for your loss and prayers, hug and love forever be with you all. To the family I grew up with I Loved you then and Love You forever
Forever in my heart ❤️
No more pain only peace 🕊️
Enjoy the Golden Streets until we meet again. Reunited with Mom and Pops has to be a wonderful thing.
